### Tears

Tears come when you're down or hurt  
They make you feel lighter make your  
Heart feel lighter  
Make your heart feel good  
And relieve all your tension  
So follow my resolution  
Coz tears are the solution

### Don't Quit

When you're at your lowest  
And ready to give in  
Grit your teeth and start again  
Remember you can win  
Everyday you wake up  
Be determined in your mind  
That you'll enjoy it to the full  
I think that you will find  
Each day is like a bonus  
And what more could you ask?  
God will lend a hand as well  
And help you with this task  
Strength will come with each new day  
Growing bit by bit  
I believe that you can do it  
So just for me don't quit

### samoan pride

The sea that slithers on the golden sand  
The blue that covers half the land  
The pride of Samoa  
The song that it sings  
As it seems to fly on wafer wings

### Just a Game

Didn't expect it to end this way  
How could this be?  
I thought you cared  
But it was all a joke

You were like a God  
The first time I saw you  
My heart started beating every  
Time you said 'Hi'

And now I know  
It wasn't worth it  
It was just a game  
But I cared!

### Alone

Purity once had a name  
Beauty once had a face  
Life once had meaning and once I was  
Safe  
Once there was freedom and once I could  
Laugh  
Happiness once was alive and once I had  
Another life  
Happiness, joy, love: all memories  
Now I walk alone  
In this dark, dark world  
With no light to show the way
